Job Posting

Part-Time School Psychologist

Job Description:

Eastern Greene Schools is searching for a part-time school psychologist.

The candidate would complete all educational evaluations on referred students and work closely with our staff on identifying students in need of special services.

The candidate must be open to providing behavioral and autism supports as written in student IEP's.

The candidate would probably work 3 days a week.

Eastern Greene would take into consideration past experience and place the candidate on the salary schedule according to our Master Contract guidelines.

Job Requirements:

Strong understanding of the RTI process and willingness to attend and be an active member of RTI meetings.

Meet all timelines for student testing, paperwork, IEP creation, etc....

Willingness to provide support for teachers during IEP/ACR meetings

Open to providing behavioral and autism support per a student IEP

Coordinating the creation of Functional Behavior Assessments and Behavior Intervention Plans

Strong organization skills and the ability to meet critical timelines

Ability to work effectively as part of a team

Strong written and oral communication skills

Provides consultation and assistance to parents and families to address student concerns

Willingness to meet with teachers to discuss student concerns and recommend a plan of action for both educational and behavioral issues.

Consult and collaborate with educators, parents, children and other professionals or agencies to improve student outcomes

Develop individual, group, or system level interventions to improve or resolve identified problems or concerns including academics, social, emotional, behavioral, and mental health needs as they relate to educational progress

Involvement in data analysis and evaluation, using data outcomes for implementing plans at an individual, group or system level

Job Qualifications:

Licensure as a school psychologist in the state of Indiana

Master's degree in School Psychology/Ed.S preferred, but not required

Experience working with students with disabilities and students with significant academic and behavioral needs, preferred, but not required
