

Kids Zone Program
Before- and After-School Care Program
Eastern Greene Schools

Eastern Greene Schools offers before- and after-school care programming, known as Kids Zone, for students in grades K-6th grade, **as long as there continues to be enough parent interest to financially sustain the program.** Parents may choose the early morning programming, the after-school care programming, or both.

Before-School Program

Early morning care will be available from 6:30-7:40 in the Multi-Purpose Room. The cost will be \$2/day or \$10/week. Quiet activities such as homework help, reading, listening to music, and playing board or card games will be offered.

After-School Program

After-school supervised care will be offered from 3:00-6:00 p.m. each school day, operating out of the Multi-Purpose Room. The cost will be \$5/day if pick-up is before 4:30 and \$10/day if pick-up is between 4:30-6:00. Family discounts are available. A variety of scheduled activities will be offered, including homework help, active play, computer lab work, and hands-on projects. A snack will be provided. A late fee is charged for pick-ups after 6:00 p.m.

Please complete the Kids Zone Program enrollment form to reserve a space for your child and return it, with the \$10 registration fee to the new Eastern Greene Elementary Office in person or by mail (10503 East State Road 54, Bloomfield, IN 47424 attn: Kids Zone).

In order to offer the before- and after-school Kids Zone programs, there must be enough consistent participation to sustain the programs.
