

Summer Learning Camps!

Eastern Greene Elementary and Middle School

May 2019

Dear Parents of 2019-2020 Incoming Kindergarten-6th grade students,

Your children are invited to join us in July for summer learning camps! They will be offered Monday-Thursday, July 15-18 and Monday-Thursday, July 22-25, 2019 from 8:30-11:30.

There are six age-appropriate camps which are described on the next pages. You may choose to send your children for all eight days or pick the week that best meets your family's schedule.

Summer Learning Camps will help your children get ready for school while also providing enriching, fun activities with their friends. There is no charge for the camps, but parents will need to provide transportation.

Please check out the different camp themes, complete the registration form, and return it to EGES by **June 21**. Reminder letters will be mailed in late June.

Please return bottom half to EGES office

Camp #1 for incoming kindergarten students: Welcome to Kindergarten! July 15-18 or July 22-25 8:30-11:30 with Mrs. Jankowski

Does your child have questions about starting kindergarten: Who is my teacher? Where is my classroom? Where is the lunchroom? What do I do with my backpack? Where is the bathroom? Get ready for kindergarten by making some new friends and learning how to work together! We'll do relay races, obstacle courses, and outside games to practice taking turns! We'll also work together to build towers, create art, and learn about our new kindergarten classmates. Hope to see you there!

July 15-18 and/or July 22-25 8:30-11:30 with Mrs. Bush

Camp #2 For Incoming 1st and 2nd grade students: Camping in the Classroom

Do you like to camp? Get out those flashlights for reading in the tent. We'll use math to make s'mores. We'll tell stories! Get ready to catch some "fishy" words. We're camping out and inviting you! There are s'more fun activities on the way as we get ready to go on a mini-camping adventure in the classroom.

Camp #3 for incoming 3rd and 4th grade students: Getting FIT over the Summer! July 15-18 or July 22-25 8:30-11:30 with Miss Kloss

Join Miss Kloss this summer to learn how to be the healthiest you! Topics covered will be fun exercises, healthy eating, and positive mental health strategies. We will utilize math to calculate food portions and exercise times; read and analyze sources about healthy practices; write out personal fitness goals and create fitness plans; and activity participate in exercises outside and inside. You will leave better than when you arrived!

Camp #4 for incoming 3rd and 4th grade students: *Galaxy of Greatness*

July 22-25 only 8:30-11:30 (Mrs. Kindra Roberts)

The students will be exploring space themed activities while reviewing STEM, ELA, and renewing out-of-this-world friendships. There will be Galactic slime, marshmallow constellations, space rocks, and even creating a "galaxy in a jar"!

Camp #5 for incoming 4th and 5th grade students: *Computer Science Camp*

July 15-18 only 8:30-11:30 with Mrs. Buskirk

During computer Science Camp, the student will be working in pairs to make their own computer using the KANO Computer Kit. After following the simple steps to build the computer, the students will learn to code, hack Minecraft, and make apps, art, and music. If you love technology and want to learn more about computer and coding, this is the camp for you!

Camp #6 for incoming 4th, 5th, and 6th graders: *Off Their Rockers!* July 15-18 and July 22-25 8:30-11:30 with Mrs. Spradlin. **Students must commit to both weeks for this camp.**

Yes, we may be off our rockers as well, as we attempt to pull together a musical in two weeks. We will learn all about the stage, voice projection, costuming, working together, memorization, character, and so much more in our time together. Our story takes place in a senior center where all is quiet and calm until the center director decides to use music and dance to bring fun and excitement into the lives of the seniors. Through songs and dances that were a part of the seniors' past, the director along with friends and family, encourage the senior to "get off their rockers" and join in the fun. We will learn such songs as: Rock Around the Clock, At the Hop, The Peppermint Twist, and Dancin' in the Street. Rock along with Mrs. Spradlin this summer while performing, "Off Their Rockers!"
