A message from the **SCHOOL NURSE**

The Greene County Health Department will be here to do vaccines on Wednesday, September 28th. If your student needs the flu, covid, or other vaccines **you must get a consent form from one of the nurses.** They want you to know that they will not restrain any student to get any vaccine. Your student must be able to sit still during the injection. Please contact Nurse Kaitlin or Nurse Teena for any questions.

Thank you,
