COVID Policies - Rev. 1.2 (9-7-21)

(All policies within comply with the governor's emergency orders issued on 9-1-21 which states: School boards are responsible for implementing local measures and restrictions to address the impact and spread of COVID-19 in their buildings, facilities, and on their grounds. "These restrictions and measures may be more restrictive, but not less restrictive, than required by statute, Executive Orders, local ordinances and directives, and state or local health orders.")

Masking

All students and staff will be required to mask while on the bus and indoors except while eating. Mask breaks will be allowed during outdoor activities, and indoors when they can be distanced farther than six feet apart.

Quarantining

Staff or Students who have had a positive PCR COVID test:

- Must isolate for 14 days.

Staff or Students who have had symptoms:

- If students or staff receive a negative PCR test and reviewed by school nurse, they may return as long as they are fever free for 24 hrs. or more and symptoms have improved.

Staff or Students who are masked:

- If they are within three feet of someone who has tested positive, no quarantine is needed.
- Must self-monitor for 14 days. This includes checking temperature twice a day. If temperature goes above 100.4F or other symptoms develop, then you must quarantine and obtain a PCR test.
- Upon arrival at school, close contact students must check in with the school nurse.

Staff or Students who are not masked:

- If students or staff are not vaccinated, and within six feet of someone who has tested positive, then they must quarantine for either 10 days (no test needed) or 7 and return on the 8th days with a negative test on day 5, 6, or 7.
- If students or staff are vaccinated or have had COVID within 3 months, and within six feet of someone who has tested positive, then no quarantine is need unless symptoms develop.
- Must self-monitor for 14 days. This is includes checking temperature twice a day. If temperature goes above 100.4F then you must quarantine and obtain a PCR test.
- Upon arrival at school, close contact students must check in with the school nurse.
- During lunch, close contact students or staff need to sit at least 6 feet away from others.

Remote Learning

If a child is quarantined, then their teacher(s) will reach out to them with Google Meet instructions so that they can participate in class remotely. Please contact the front office if you need a Chromebook or wi-fi hotspot for your child while they are quarantined.

Virtual School

Virtual School will be implemented per building if positive cases equal 10% of the student population on a rolling 7 day average
